### Georgia Public Service Commission Approves Settlement with AGLC

ATLANTA, March 5, 2013—Today, the Georgia Public Service Commission approved a settlement with Atlanta Gas Light Company (AGLC) and voted to split the money between two non-profit organizations.

By a vote of 3 to 0, the Commission approved the terms of the settlement including \$25,000 going to H.E.A.T., Inc., which assists low-income households in meeting energy needs, and \$25,000 to the Georgia National Guard Family Support Foundation, Inc., which provides support to soldiers and airmen, and unit Family Support Groups of the Georgia National Guard. The funds shall be used to assist with the home heating needs of the individuals served by each organization.

The settlement also provides that AGLC hire an additional full-time Damage Prevention Specialist for the Georgia Coastal Region.

Last year, several of Atlanta Gas Light Company's natural gas distribution facilities in Savannah were damaged during excavations. PSC Staff and AGLC reached a settlement in the matter after a lengthy investigation.
