- (a) The prices billed to a consumer on a **variable rate plan** shall not exceed the price the marketer has on file with the Commission in effect at the beginning of the consumer's billing cycle. The prices billed to a consumer on a **fixed rate plan** will not exceed the price on file with the Commission that was in effect at the time the consumer contracted with his or her marketer.
- (b) Prices do not include the base charge from Atlanta Gas Light Company. This charge is \$10.77 + (\$4.74 per DDDC Factor) or \$(-0.01) + (\$4.74 per DDDC Factor) for senior citizen/low-income customers.
- (c) The Regulated Provider customers pay the same base charges from Atlanta Gas Light Company.
- (d) The base charge is the same regardless of which marketer is chosen. Customer specific DDDC Factors are required to be provided on all customer's bills.
- (e) Prices **do not** include sales tax, which varies by county.
