SUMMARY OF 5778-U DATA REQUEST 2 **NOVEMBER 2004 REPORT**

The Commission established and implemented Docket Nos. 5777-U and 5778-U as directed by the Georgia Telecommunications and Competition Development Act of 1995 (SB 137). Docket No. 5777-U establishes interim filing requirements for companies seeking to elect alternative regulation. Docket No. 5778-U establishes interim rules and requirements, pending development of permanent rules, for applicants filing for Certificates of Authority to provide competing local telephone service. The Commission issued a Supplemental Order in Docket No. 5778-U on October 1, 1996, adopting supplemental provisions applicable to both new and existing interim certificates of authority for local exchange service. In an effort to further facilitate the entry into the local market by competing local providers, the Commission is undertaking to gather specific information about the market as required by the Georgia Act and the federal Telecommunications Act of 1996.
