Docket No. 5778-U

In Re: Local Service Indicators Data Requests

DOCKET #	5778
DOCUMENT #	108178

THIRD SUPPLEMENTAL ORDER

On October 25, 1996, the Georgia Public Service Commission ("Commission") issued its Supplemental Order Regarding Interim Telecommunications Certificates of Authority ("Supplemental Order") in Docket Number 5778-U. The Supplemental Order contained the following reporting requirements:

Quarterly Filing Requirements:

- 1) the number of new and total customers, categorized by customer class and types of service;
- 2) the number, nature and resolution of any complaints, categorized by customer class (and, if applicable, by types of service);
- 3) the number of employees dedicated in Georgia to the local service, categorized by type (e.g., customer service, sales, maintenance, etc.); and
- 4) an explanation of whether the services are being made available through resale or through use of the company's own facilities.

On April 20, 1998, the Commission issued its Second Supplemental Order in Docket 5778-U. In that order, the Commission adopted the following additional reporting requirements:

1. State the number of customers to whom you provide local exchange service in Georgia.
2. State the number of access lines included in your provision of local exchange service in Georgia.

3. Are you providing local exchange service to residential customers in Georgia? If so, state the number of customers you are serving through:
 1. Exclusively your own facilities?
 2. Any combination of your own facilities and the leasing of BellSouth Telecommunications, Inc.'s ("BellSouth's") facilities (unbundled network elements)?
 3. Exclusively the resale of BellSouth's retail services?
 4. Any combination of resale with facilities-based services?
 5. Total number of residential customers served:
 6. Total number of residential lines provided:
 7. Number of residential customers provided with pre-paid service (if applicable):

4. Are you providing local exchange service to business customers in Georgia? If so, state the number of customers you are serving through:
 1. Exclusively your own facilities?
 2. Any combination of your own facilities and the leasing of BellSouth Telecommunications, Inc.'s ("BellSouth's") facilities (unbundled network elements)?
 3. Exclusively the resale of BellSouth's retail services?
 4. Any combination of resale with facilities-based services?
 5. Total number of business customers served:
 6. Total number of business lines provided:
 7. Number of business customers provided with pre-paid service (if applicable):

5. List the unbundled network elements you are purchasing from BellSouth and for each one, state the number of units (for example, 1000 units of 2-wire digital loops, 2000 units of RCF interim number portability, etc.).

6. List the BellSouth retail services you are reselling and for each one, state the number of units (for example, 1500 units of R1, 3000 units of specific vertical features, etc.).

The Commission Staff recommended that the Commission maintain the Supplemental Order's quarterly filing requirements but eliminate the Second Supplemental Order's monthly filing requirements. The Staff stated that the quarterly information is sufficiently detailed to assess competition in Georgia. In addition, the Staff asserted that it had received numerous informal requests from Competitive Local Exchange Carriers to reduce the number of compliance filings, and specifically to eliminate the monthly 5778-U reports.

The Commission adopts Staff's recommendation.

WHEREFORE, it is

ORDERED, that the monthly filing requirements established in the April 20, 1998 Second Supplemental Order in Docket No. 5778-U are hereby eliminated.

ORDERED FURTHER, that the quarterly filing requirements established in the October 25, 1996 Supplemental Order shall remain in full force and effect.

ORDERED FURTHER, that a motion for reconsideration, rehearing, oral argument, or any other motion shall not stay the effective date of this Order, unless otherwise ordered by the Commission.

ORDERED FURTHER, that jurisdiction over this matter is expressly retained for the purpose of entering such further Order(s) as this Commission may deem just and proper.

The above by action of the Commission in Administrative Session on the 18th day of December 2007.
