

# Start connecting today— with Georgia Relay

## The convenient, easy-to-use telecommunications system for deaf, hard-of-hearing and speech-disabled Georgians!

Available 24 hours a day, seven days a week, Georgia Relay is a FREE public service that connects people who are deaf, hard of hearing or speech disabled and use a TTY (text telephone) or other assistive phone device, with people who use standard telephones, relaying the conversation between both parties. Users pay no setup charges or fees for local calls, and there's no limit on the length or number of calls you may place or receive.

Anyone may initiate a Georgia Relay call, simply by dialing 7-1-1.

### Georgia Relay features:

- **Voice Carry-Over** – for people who are hard of hearing but speak clearly
- **Hearing Carry-Over** – for people with significant speech disabilities who hear clearly
- **Speech-To-Speech** – for people with mild-to-moderate speech disabilities who hear clearly
- **Spanish Relay** – for Spanish-speaking TTY users and hearing callers
- **Internet Relay** – make relay calls over the Internet
- **Video Relay Service** – for sign language users
