DOCKET NO. 3913-U

FIRST SUPPLEMENTARY ORDER

IN RE: RESELL OF INTEREXCHANGE TELECOMMUNICATIONS SERVICES

This is to advise that the Commission in Administrative Session on April 6, 1993 decided to adopt the same procedures for billing as outlined in Docket No. 3783-U and its Amendatory/Supplementary Orders except where it pertains to Operator Related Service charges for Resellers of Interexchange Telecommunications Services.

WHEREFORE, it is

ORDERED, that Resellers of Interexchange Telecommunications Services are granted the same authority for billing as outlined for Alternate Operator Services Providers in Docket No. 3783-U and its Amendatory/Supplementary Orders except where it pertains to Operator Related Service charges. All Resellers of Interexchange Telecommunications Services must ensure that the actual service provider's name appears on the end-user's bill with the appropriate charges as approved by this Commission and that the rates, procedures and mechanism for billing are made a part of the company's application and tariff on file with the Commission.

The above by action of the Commission in Administrative Session on April 6, 1993.
