Notice of Intent: As Regards Non-Consensual Towing Authority

Georgia Law mandates that all towing companies engaged in non-consensual towing from private property hold a State issued Non-Consensual Towing Permit. With the passage of HB-316 during the 2007 Legislative Session, only towing (from private property) performed at the request of the vehicle owner is exempt from having said permit. **Please circle the option(s) that apply:**

1. Only perform towing with the owner or operator's consent.
2. I no longer operate a wrecker service or towing business.
3. I have not performed private trespass towing since the expiration of Permit # _____ on _____.

Please Note: Owner means legal owner of record of the vehicle. Financial Institutions are deemed owner if they have full filled the legal requirements to possess the vehicle.

Statement # 1 – Company will not or has not engaged in non-consensual towing; Company towing activities fall under exception # _____ (Choose from options shown above)

I, _____ Certify that _____ was/will not be engaged

I, the undersigned, under penalty for false statement, do hereby certify that the above information is true and correct and that I am authorized to execute and file this document on behalf of the above applicant. Pursuant to O.C.G.A. §44-1-13, the GPSC is authorized to impose a civil penalty for any violation in an amount not to exceed \$2,500.00.
